Estimado paciente:

Gracias por elegir Eye Physicians of Austin para sus necesidades de atención oftalmológica. Esperamos conocerlo durante su próxima cita.

Para agilizar su proceso de registro, complete el formulario de información del paciente adjunto y tráigalo a su cita. Si su plan de seguro requiere una autorización o derivación para ser atendido, asegúrelo antes de su cita. Cobraremos el pago en el momento de su visita, así que traiga su método de pago preferido al consultorio.

Las citas anuales para el examen de la vista suelen durar 90 minutos y normalmente requieren dilatación de los ojos; traer sus gafas de sol puede ayudarlo a sentirse más cómodo.

Si está enfermo o ha estado expuesto al COVID-19, comuníquese con nuestro consultorio al (512) 583-2020 antes de su cita para analizar las opciones de reprogramación. No llegue antes de cinco minutos antes de su cita y traiga los siguientes elementos.

- Tarjetas de seguro y documento de identidad con fotografía.
- Si usa anteojos o lentes de contacto, tráigalos a su cita.
- Lista de medicamentos que está tomando actualmente.

Una vez más, ¡gracias por elegir Eye Physicians of Austin! Si tiene alguna pregunta antes de su cita, llame a nuestro amable personal o comuníquese con nosotros a través del enlace CONTACTO en nuestro sitio web en epaustin.com.

Atentamente,

Eye Physicians of Austin, P.A.

Financial Policy & Notice of Privacy Practices

Unless other arrangements have been made in advance by either you or your health insurance carrier, full payment is due at the time of service.

Financial Responsibility Agreement- I hereby authorize this office to apply for benefits on my behalf for services rendered. I thoroughly understand that my insurance is an agreement between the insurance provider and myself, **not** between the insurance provider and this medical office. I therefore request payment from my insurance company be made to **Eye Physicians of Austin**. I also understand and agree that regardless of my insurance status, I am ultimately responsible for the balance of my account and for medical services rendered. I understand that during my treatment I may be billed by a third-party provider, such as a lab, for services rendered at **Eye Physicians of Austin**. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment, and you will not receive your check back from your bank.

Non-covered Services- In the event that your health plan determines a service to be “**not covered**” you will be responsible for the complete charge. Payment is due upon receipt of a statement from our office. If you disagree with your insurance company’s determination, you must contact your insurance company.

Refraction- A refraction is conducted to measure the prescription strength you may need for glasses. It is also an important tool that aids in the diagnosis and treatment of many eye conditions. **However, most insurers, including Medicare, classify this as a Non-Covered Service and require that patients be responsible for payment.** Federal guidelines require that refractions be billed separately for all patients.

If you are aware that your insurance does not cover this, you may pay our refraction “prompt pay” rate of \$60 at the time of service, and we will not file insurance. If you choose not to pay, your insurance will be billed our normal charge of \$75. If there is a remaining balance after insurance processing, it will be billed to you.

I certify that the information I have reported with regard to my insurance coverage is correct. I authorize the release of any necessary information, including medical records, to determine insurance benefits to which I may be entitled.

Referral Policy- HMOs and some other insurances require an official referral/authorization number or form. If authorization has not been received by our office at time of service, you will be asked to sign a Referral Waiver that states you will be financially responsible at time of service.

Minor Patients- For services rendered to minor patients, we expect the adult accompanying the minor to settle charges for services. Payment arrangements must be made in advance for unaccompanied minors.

Eyeglass and Contact Lens Prescriptions- If eyeglasses and or contact lenses are prescribed, you consent to receive your prescription electronically through our patient portal. A physical copy of your prescription will be available in the office upon request.

Notice of Privacy Practices and TCPA- Our goal is to take appropriate steps to attempt to safeguard any medical or other personal information that is provided to us. The Privacy Rule under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires us to: (i) maintain the privacy of medical information provided to us; (ii) provide notice of our legal duties and privacy practices; and (iii) abide by the terms of our Notice of Privacy Practices currently in effect. Our Notice of Privacy Practices is posted in our lobby and available to you on your patient portal. You have the right to restrict personal health information to your health plan if disclosure is for payment and pertains to a service for which you have paid out of pocket and in full. By signing this, you agree to allow us to contact you at the phone numbers you have provided, including leaving a message on your voice mail/answering machine.

I acknowledge the receipt of Notice of Privacy Practices of Eye Physicians of Austin and the acceptance of the financial policy.
